

# Out From Under

Britney Spears

- Dmi**  
1. Breathe you out  
**C** **F**  
Breathe you in  
**C** **Dmi**  
You keep coming back to tell me  
**C** **F**  
You're the one who could have been  
**C** **Dmi**  
And my eyes  
**C** **F**  
See it all so clear  
**C** **Dmi** **C** **F**  
It was long ago and far away but it never disappears
- B**  
X: I try to put it in the past  
**B** **Dmi**  
Hold on to myself and don't look back
- (Dm)** **B**  
R: I don't wanna dream about  
**F**  
All the things that never were  
**C**  
Maybe I can live without  
**Dmi**  
When I'm out from under  
**B**  
I don't wanna feel the pain  
**F**  
What good would it do me now  
**C**  
I'll get it all figured out  
**B**  
When I'm out from under (From under, from under, from under)
2. So let me go  
Just let me fly away  
Let me feel the space between us growing deeper  
And much darker every day  
Watch me now and I'll be someone new  
My heart will be unbroken  
It will open up for everyone but you
- X: Even when I cross the line  
It's like a lie I've told a thousand times
- R: I don't wanna dream about...
- B**  
\*: And part of me still believes  
**C**  
When you say you're gonna stick around  
**B**  
And part of me still believes  
**C**

We can find a way to work it out

**B C B**

But I know that we tried everything we could try

**C Dmi**

So let's just say goodbye Forever

R: /: I don't wanna dream about  
All the things that never were  
Maybe I can live without  
When I'm out from under  
I don't wanna feel the pain  
What good would it do me now  
I'll get it all figured out  
When I'm out from under :/
