Selfish

Britney Spears

Okay, the shoe is going on the other foot tonight,
La, la, la
I'm 'bout to turn you into my very own flight tonight
La, la, la
Okay, you think you got me where you want me
I'm a show you tonight
La, la, la
That I'm a girl and you're a boy
And tonight you gon' be my be my man

Oh, oh, oh, oh, oh, oh,
Tonight I'm gonna be a little selfish
Be a little selfish
Oh, oh, oh, oh, oh, oh,
Tonight I'm gonna be a little selfish
Be a little selfish
Boom, boom, baby
Pick you up in my Mercedes
I'm a be a little selfish
Be a little selfish
Boom, boom, baby
Pick you up in my Mercedes
I'm a be a little selfish
Be a little selfish

Just lay right there and don't you move
I'm in control tonight
La, la, la
Lock you up in my room
Be my prisoner of love tonight
La, la, la
Shut up, sit down
Who's the boss now?
I'm 'bout to show you now
La, la, la
That I'm a girl and you're a boy
And tonight you gon be my be my man

Oh, oh, oh, oh, oh, oh,
Tonight I'm gonna be a little selfish
Be a little selfish
Oh, oh, oh, oh, oh, oh
Tonight I'm gonna be a little selfish
Be a little selfish
Boom, boom, baby
Pick you up in my Mercedes
I'm a be a little selfish
Be a little selfish
Boom, boom, baby
Pick you up in my Mercedes
I'm a be a little selfish
Be a little selfish

Tonight I'm feeling sexual
Come on and play inside my love below
Strip down and give me my own private show
I'm gonna be a little selfish

Be a little selfish
Tonight I'm feeling sexual
Come on and play inside my love below
Strip down and give me my own private show
I'm gonna be a little selfish
Be a little selfish

Boom, boom, baby
Got you up in my Mercedes
I'm a be a little selfish
Be a little

Boom, boom, baby
Pick you up in my Mercedes.
I'm a be a little selfish...
Be a- be a- be a...

Oh, oh, oh, oh, oh, oh
Tonight I'm gonna be a little selfish
Be a little selfish
Oh, oh, oh, oh, oh, oh
Tonight I'm gonna be a little selfish
Be a little selfish
Boom, boom, baby
Pick you up in my Mercedes
I'm a be a little selfish
Be a little selfish
Boom, boom, baby
Pick you up in my Mercedes
I'm a be a little selfish
Be a little selfish
