

# Someday (i Will Understand)

Britney Spears

Nothing seems to be the way  
That it used to  
Everything seems shallow  
God give me truth  
In me  
And tell me somebody is watching  
Over me  
And that is all I'm praying is that

Someday I will understand  
In God's whole plan  
And what it does to me  
Oh but maybe  
Someday I will breathe  
And I'll finally see  
I'll see it all in my baby

Don't you run too fast my dear  
Why don't you stop?  
Just stop and listen to your tears  
They're all you've got  
It's in you  
You see somebody is watching  
Over you  
And that is all I'm praying is that

Someday you will understand  
In God's whole plan  
And what he does to you  
Oh but maybe  
Someday you will be  
And you'll finally see  
You'll see it all in your baby  
You'll see it all in your baby

No moment  
Will be more true  
That the moment  
I look at you

It's in you  
You see somebody is watching  
Over you  
And that is all I'm praying is that

Someday you will understand  
In God's whole plan  
And what he does to you  
Oh but maybe  
Someday you will be  
And you'll finally see  
You'll see it all in your baby  
You'll see it all in your baby  
You'll see it all in your baby  
You'll see it all in your baby
