

Trouble

Britney Spears

You and I left alone, cannot be trusted
There's a lust, we can't control
Slowly undress, chest to chest
And unless I say goodnight
I know we're only gonna move too far
Please, I'm not quite ready for that next level
One kiss and that spells trouble

You could talk me in, talk me into it
If you wanted to do
You could talk me in, talk me into it
If you only knew
Yeah, I'm likin', I'm likin' the way you do-o-o-o
What you do-o-o-o to me

I, I don't wanna lose control
Control, control, control
But then again, I think I wanna lose control
Control, control, control
Ain't nothing wrong with a little bit of
Trouble, trouble, trouble, trouble, trouble
Trouble, trouble, trouble, trouble
You and me, that equals
Trouble, trouble, trouble, trouble, trouble
Trouble, trouble, trouble, trouble
Ain't nothing wrong with a little bit of

I get down, I surprise you
Don't you push me, let me in your crib today
Next day I'll snatch the goods away
You're not listenin', watch me now
'Cause I'm a good girl, but I can be bad
You're not quite there, you're not on my level
Trust me for you, I'm trouble

You could talk me in, talk me into it
If you wanted to do
You could talk me in, talk me into it
If you only knew
Yeah, I'm likin', I'm likin' the way you do-o-o-o
What you do-o-o-o to me

I, I don't wanna lose control
Control, control, control
But then again, I think I wanna lose control
Control, control, control
Ain't nothing wrong with a little bit of
Trouble, trouble, trouble, trouble, trouble
Trouble, trouble, trouble, trouble
You and me, that equals
Trouble, trouble, trouble, trouble, trouble
Trouble, trouble, trouble, trouble
Ain't nothing wrong with a little bit of

This is a warning, I'm warning you
You're taking too long (too long)
I tryna play laid back and be cool

But boy, you're playin' it wrong
(Playin' it wrong)
It's in your eyes,
You're really really lookin' like you wanna do somethin'
Like, like you wanna do somethin'
Boy, you better get it right
If you don't, you're gonna mess around and do somethin'
You're gonna mess around and do somethin'

I, I don't wanna lose control
Control, control, control
But then again, I think I wanna lose control
Control, control, control
Ain't nothing wrong with a little bit of
Trouble, trouble, trouble, trouble, trouble
Trouble, trouble, trouble, trouble
You and me, that equals
Trouble, trouble, trouble, trouble, trouble
Trouble, trouble, trouble, trouble
Ain't nothing wrong with a little bit of
