

# When Your Eyes Say It

Britney Spears

I love to hear you say that you love me  
With words so sweet  
And I love the way with just one whisper  
You tell me everything  
And when you say those words  
It's the sweetest thing I've ever heard

But when your eyes say it  
That's when I know that it's true  
I feel it  
I feel the love coming through  
I know it  
I know that you truly care for me  
'Cause it's there to see  
When your eyes say it

I love all the ways that you show me  
You'll never leave  
And the way your kisses, they always convince me  
Your feelings run so deep  
I love the things you say  
And I love the love your touch conveys

But when your eyes say it...

But when your eyes say it  
That's when I know that it's true  
I feel it  
I feel the love coming through  
I know it  
I know that you truly care for me  
'Cause it's there to see  
When your eyes tell me  
I know they're not tellin' lies  
They tell me  
All that you're feelin' inside  
And it sounds so right  
When your eyes say it, say it

And the words that say take my breath away  
No song ever sounded so sweet  
I love every word that they say to me

But when your eyes say it...

But when your eyes say it  
That's when I know that it's true  
I feel it  
I feel the love coming through  
I know it  
I know that you truly care for me  
'Cause it's there to see  
When your eyes tell me  
I know they're not tellin' lies  
They tell me  
All that you're feelin' inside  
And it sounds so right

When your eyes say it
