All This Time

Britt Nicole

I remember the moment I remember the pain I was only a girl But I grew up that day Tears were falling I know You saw me Hiding there in my bedroom So alone I was doing my best Trying to be strong No one to turn to That's when I met You All this time From the first tear cried 'Til today's sunrise And every single moment between You were there You were always there It was You and I You've been walking with me all this time Oh, oh, oh, yeah You've been walking with me all this time Ever since that day It's been clear to me That no matter what comes You will never leave I know You're for me And You're restoring Every heartache and failure Every broken dream You're the God who sees The God who rescued me This is my story This is my story-----All this time From the first tear cry 'Til today's sunrise And every single moment between You were there You were always there It was You and I You've been walking with me all this time Ooooooooh You've been walking with me all this time I hear these people asking me

How do I know what I believe? Well I'm not the same me And that's all the proof I need I felt love, I felt Your grace You stole my heart that day Ooooooooh Youve been walking with me all this time

All this time From the first tear cry Till today's sunrise And every single moment between You were there You were always there It was You and I You've been walking with me all this time

Ever since the first tear cry It was You, You and I You've been walking with me all this time Ever since the first tear cry It was You, You and I You've been walking with me all this time
