

You're the One  
The One who can save

I don't have to be lonely  
I just fall into You  
When I need someone to hold me  
Holding me's what You do

Nobody loves me like You  
Nobody loves me like You, yeah

If I got You on this journey  
I got all that I need (You make it right)  
I know I am forgiven  
And I can finally see

Nobody loves me like You, yeah  
Nobody loves me like You, ay  
Your love's different  
Your love's different  
Nobody loves me like You, ay

I just wanna be with You tonight  
I wanna feel Your heartbeat next to mine  
Yeah, even when I fall, even when I lose  
It don't change a thing, Your love is true, yeah-yeah  
This time, it's different  
This time, I'm reminiscing  
The light in my new vision is done, yeah

Nobody loves me like You, I know  
Nobody loves me like You, it's true, yeah  
Your love's different  
Your love's different  
Nobody loves me like You  
Nobody else can love me like

When I was lost, nobody loved me like You  
Nobody like You, nobody, nobody else  
No one loves me like You  
Nobody loves me like You  
No one loves me like You  
Nobody loves me like You
