

# History Repeats

Brittany Howard

I just don't wanna be back in this place again  
I mean, I done cried a little  
Tried a little, failed a little  
I don't wanna do it again  
(Oh, I don't wanna do it again)

Do you feel me? (Yes, ma'am)  
Do you feel me? (Oh lord)  
Do you feel me? (Yes, ma'am)  
Do you feel me? (Yes, ma'am)  
Do you? Do you?

I mean, I've already been  
I came and went  
I washed my hands with it  
I don't wanna do it again  
Don't push me  
Push me, push me, push me  
Pull me in, ooh

Hoo, I don't wanna go back here again, mmm

Come on everybody, one more time again

Come on everybody, one more time again (Let me jump in, this time now  
)
