

## Interlude

**Brittany Howard**

I wrote this piece for every human being on Earth  
We, this people  
On a small and lonely planet  
Traveling through casual space  
Past aloof stars  
Across the way of indifferent suns  
To a destination where all signs tell us  
It is possible and imperative  
That we discover a brave and startling truth  
And when we come to it  
To the day of peacemaking
