

Follow The Light

Broadcast

Always in the force
The summits and the lows
No disclaimer

Follow the light
Look into the light
Look into my eyes
And follow the light
Follow the light

Counting down from 10 (Look into the light)
I hear the voice again (Look into my eyes)
No disclaimer (Follow the light)

Follow the light
Look into the light
Look into my eyes
And follow the light
Follow the light
Follow the light
Look into the light
Look into my eyes
And follow the light

Ooh-ooh-ooh-ooh-ooh
Ooh-ooh, ooh-ooh-ooh
Ooh-ooh-ooh-ooh-ooh

Follow the light
Look into the light
Look into my eyes
And follow the light
Follow the light

Follow the light
Look into the light
Look into my eyes
And follow the light
Follow the light
Follow the light
Look into the light
Look into my eyes
And follow the light

Ooh-ooh-ooh-ooh-ooh
Ooh-ooh, ooh-ooh-ooh
Ooh-ooh-ooh-ooh-ooh
