

In Here the World Begins

Broadcast

Don't worry now, you go to sleep
To let the fear beside you weep
To let your anxious whispering
Tell you there's such a thing

A shadow out a shadow, a fallacy
A door that opens to a door
A dream within a dream
Ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah

If differ come to come again
Remember that it's just a game
To hold you down and keep you thin
Let the fear belief begin

A shadow out a shadow, a fallacy
A door that opens to a door
A dream within a dream
Ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah

Morning mind to wake you up
To shine its torch and let it grow
Remember that an evening prayer
Will push away the figure out

A shadow out a shadow, a fallacy
A door that opens to a door
A dream within a dream
Ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah
