

## "Libra, the Mirror's Minor Self"

**Broadcast**

Let go of what will fill the way  
See what sense of glad you have  
Certain there's more than searching  
Approach the loving that is wetting  
Or the harmony your forgetting  
Down in your whats too sea

See what sense of sad you have  
Certain there's more than searching  
Approach the loving that is wetting  
Or the harmony your forgetting  
Down in your whats too sea  
And what people show you what you need
