

Don't Lose Faith

Broadside

Don't lose faith
Don't lose faith in me baby
(Don't you lose it, don't you lose your faith in me)

Often I'm mislead
Caught up in my head
Overdose on dread
Cause still I feel this rage
Too red to explain
Stuck inside my cage

But I'll be fine
I know that you heard it bout a 1000 times
And baby don't cry
I don't wanna hurt ya but I'm not right
Cause it takes two shots just to get me loose
I got a bruised ego and a point to prove
So won't you drive me home

Don't lose faith
Don't lose faith in me baby
(Don't you lose it, don't you lose your faith in me)
Don't give up
Don't give up on me baby

Your love is lethal
You're like a drug can't get enough
Hooked on this feeling
Oh when you undress
You got my head on the ceiling
Push into me, whisper my name
Like you still mean it
Make me believe it

You say you're in love while we're intertwined
You've been wrong before but I'm not Mr. Right
Nails trace down my spine locked up in those eyes
Don't ever set me free

Don't lose faith
Don't lose faith in me baby
(Don't you lose it, don't you lose your faith in me)
Don't give up
Don't give up on me baby

You are the air I breathe
The scent of you still on my sheets
I'm tongue tied on my knees
I'm praying you don't give up on me

You are the air I breathe
The scent of you still on my sheets
I'm tongue tied on my knees
I'm praying you don't give up on me

Don't lose faith
Don't lose faith in me baby

(Don't you lose it, don't you lose your faith in me)
Don't give up
Don't give up on me baby
