

Miss Imperius

Broadside

I know your type oh yeah I've seen it before
You're just a broken girl trying to settle her score
You've been places and you know faces and you just talk and talk you do
You're breaking your back for other people but will they do the same for you
And yes I fall aggressively for Paradise and dreams
Or maybe I'm afraid of quitting

Use your looks to flip me upside down
Woah oh oh
Soft seductive voice to strip me down
I know you probably think you got me figured out
Woah oh oh woah oh oh
Cheers to fooling me so easy
Had me thinking you could save me

A glass of wine and a kiss on the cheek
It's not enough to get tossed but it's a hell of a sleep
'Cause I'm in my head you're in my bed and I just listen to you breathe
Call it pathetic call it romantic label me however you please
And yes I fall aggressively for paradise and dreams
Or maybe I'm afraid of quitting

Use your looks to flip me upside down
Woah oh oh
Soft seductive voice to strip me down
I know you probably think you got me figured out
Woah oh oh oh woah oh oh oh
Cheers to fooling me so easy
Had me thinking you could save me

I felt weightless when you picked me off the ground
And now your paradise is tying me down
This comfort that you gave you just can't be real
When paranoia is all I feel

Use your looks to flip me upside down
Woah oh oh
Soft seductive voice to strip me down
I know you think you got me figured out

Use your looks to flip me upside down
Woah oh oh
Soft seductive voice to strip me down
I know you probably think you got me figured out
Woah oh oh oh woah oh oh oh
Cheers to fooling me so easy
Had me thinking you could save me

I know your type yeah I've seen it before
I've seen it before
Just a broken girl trying to settle her score
Settle her score

Woah oh oh oh woah oh oh
Woah oh oh oh woah oh oh
