

One Last Time

Broadside

Can we get one more night?
Can we get one last time to feel it?
Like we felt before
Back when we wanted
Back-back when we wanted it

In my mind things aren't like they used to be fine
Guess I'm getting used to sleepless nights
And empty eyes
It's agony, living with your memory
I wish I could press rewind
Maybe I'd feel alive

Back and forth 'til we both feel sick
But I never get sick of it

Can we get one more night?
Can we get one last time to feel it?
Like we felt before
Back when we wanted
Back-back when we wanted it
Can't you see all this irony?
Wanting what we had, but we had what we wanted
Back when we wanted
Back-back when we wanted it

Back when we wanted
Back-back when we wanted it

I miss Paradise, heaven's too small in my mind
Tear my sins apart for you
What's left to lose?
It's insanity, I just need your ecstasy
Need your body next to me
Pressed to me

Can we get one more night?
Can we get one last time to feel it?
Like we felt before
Back when we wanted
Back-back when we wanted it
Can't you see all this irony?
Wanting what we had, but we had what we wanted
Back when we wanted
Back-back when we wanted it

Right back when we wanted it

Back and forth 'til we both feel sick
Ain't no winners in a game like this
Back and forth 'til we both feel sick
But I never get sick of it

Can we get one more night?
Can we get one last time to feel it?
Like we felt before
Back when we wanted

Back-back when we wanted it
Can't you see all this irony?
Wanting what we had, but we had what we wanted
Back when we wanted
Back-back when we wanted it

Right back when we wanted it
Back when we wanted
Back-back when we wanted it
