I ascend, gone with the wind again (Yeah, yeah, yeah)  
Stargazin' the days, never take offense (No, no, no)  
Thin skin turned thick, scar tissue, man  
Be the bigger man, I'm the bigger man (Yeah, yeah, yeah)  
Big bag drew blood in self-defense (No, no, no)  
Patched up, go up and down again  
Time spent, don't bend like these rubber bands  
Had to take a stand, I stay on the fence  
I don't wanna throw hands, that was never my plan  
I was tryna get right  
You ain't have to do that, I might have to fall back  
Gotta go and get mine

Nigga, goodbye, goodbye, to all those troubled nights  
I'm bound to feel alright, I need to feel alright  
Nigga, goodbye, goodbye, to all those troubled nights (It don't mean nothin'
