

## BREAKFAST

BROCKHAMPTON

(So I built you a house)  
Tryna find revenge in the dark, I think I know where you went  
Tryna find your spirit is hard, I think I know how to spend  
My weeks are evil, your brother don't want me here  
Your family hates me, my parents don't know I'm here  
It'd be better if you loved me but he told me love myself and that's true  
It'd be nice if you could help me but he told me help myself and that's true  
The sky ain't gon' be fixed tonight  
I know for sure the sky ain't perfect

I'm swimmin' in a sea of regret  
The more I sink I forget how to swim  
I try to breathe, I know the feeling too well  
Of Fighting myself, I'm losing again  
Why am I here? Cold and Alone  
The sea ain't a home, but it's still where I lay  
And still to this day, bad credit with karma  
Lighting blunts underwater  
Still ain't goin' too well, so I kept to myself
