

SOMETHING ABOUT HIM

BROCKHAMPTON

Something about him
His car ain't nice and flashy
There's something about him
Yeah, his attitude is like magic (yeah, yeah)
There's something about him
I know he got to have it
And oh, oh, oh, oh, oh, oh, oh

I really like how you do all the things that you do
I really like how you say all the things that you say
I really like how you do all the things you could do
I really like all the things that you really could say, aye
I really like how you move when you're out by yourself
I really like how your crew and you can take 'em to hell
Boy, don't you know I fucking got you? Right, right

There's something about him
His car ain't nice and flashy
There's something about him
Yeah, his attitude is like magic (yeah, yeah)
There's something about him
I know I got to have it
And oh, oh, oh, oh, oh, oh, oh

I love him
I love him
Something about him
