

Theresiana

Brodequin

Precisely following the code as prescribed
To be roasted alive
Prisoners require a Jesuit on each side

Only the savage
Scream with thee

Techniques refined for an enlightened age
Tools tempered and as eager as the old days
Removal of the hands wickedly stretched forth
Out of need cut off their feet
Code of Theresiana
Celebrate the old ways
Oh Theresiana
Ushered into our time

Pain allowing for reflection a cleansing before
The time to answer
Screw spikes tightened
Set in far

Carrying the condemned
Atoning for his evil deeds
Oil is prepared body rubbed with sulphur
Resin mixture is soon set alight
Example before all that they be
Called anew

Code of Theresiana
Celebrate the old ways
Oh Theresiana
