

# Lovesick

Broder Daniel

I wanna be your man  
'cause I'm lovesick  
I'm lovesick oh no oh no  
And I'm lovestruck  
I'm lovestruck o yeah o yeah  
So take a chance on me  
So take a chance on me oh oh  
You know it's been so near  
You know it's been so near  
But oh so long  
But oh so long  
Oh so long  
I wanna be your man  
I've got a crush on you  
Oh my oh my  
Oh yes oh no oh no  
It takes two, it takes two  
To tango to tango  
And I'm only 18 only 18  
I'm moving on 19  
Moving on 19  
And I'm lovesick, I'm lovesick  
Oh no oh no  
So take a chance on me  
Yeah take a chance on me  
Oh yeah  
Oh yeah  
Oh yeah  
Oh my oh my  
I've got a crush on you  
Oh my oh my  
Oh give it one more shot  
Give it one more shot  
And you know I walk that walk  
And i talk that talk  
But it takes two  
Oh it takes two  
And I'm lovesick  
I'm lovesick  
Oh yeah so take a chance on me  
Yeah take a chance on me  
Oh oh  
You know it's been so near  
You know it's been so near  
But oh so long  
But oh so long  
But oh so long  
Don't make me sad  
Don't make me sad  
Oh please please please  
Oh please
