

Sorrow

Broder Daniel

There is a place I call sorrow
And there is a place I call sorrow
Loneliness is so hard to me
And loneliness is so hard to me
It's so hard to me
And it's so hard to me
It's so hard to me
Yeah
I carry a weight on my back
I carry a weight on my back
I have to carry all the weight
And how I need a helping hand
Cause I carry all the weight
I carry all the weight
Oh no oh no oh no
