What's Good

Broder Daniel

```
Oh no
What's good in my life
What's good in my life
Oh yeah
Oh people you never understand me
Oh people you never understand me
Oh no no no
Oh no no no
You never understand me
I can't look after myself
Oh no I can't look after myself
Oh no no no
Oh no no no
Oh no
Oh people you never understand me
Yeah
Yeah
What's good in my life
What's good in my life
Not very much
Not very much
Not very much
```
