

# Whirlwind

Broder Daniel

The only one I love  
She was a superstar  
The only one I love  
She was a superstar

The only one I love  
She was a superstar  
Ah

I dream a dream that can't come true  
I can never be with her  
I dream a dream that can't come true  
Oh

The only one I love  
She was a superstar  
Ah  
If I was a whirlwind  
I could weep her heart away  
Yeah yeah yeah

Oh I am  
A weak heart  
I am a weak heart  
A weak heart to break

And a lost love to take  
A lost love to take  
Ah  
I was a whirlwind  
And she, she was a superstar  
Ah ah ah ah ah

The only one I love  
The only one I love  
Ah
