Woke Up this Morning

Broilers

You woke up this morning, got yourself a gun
Mama always said you'd be the chosen one
You're one in a million, you've got to burn to shine
Born under a bad sign with a blue moon in your eyes - yeah

You woke up this morning, got yourself a gun
Mama always said you'd be the chosen one
You're one in a million, you've got to burn to shine
Born under a bad sign with a blue moon in your eyes - yeah

You woke up this morning and all the love has gone
Your papa never told you about right and wrong
But you're looking good, babe
I believe you're feeling fine, shame about it,
Born under a bad sign with a blue moon in your eyes, yeah

You woke up this morning
You got a blue moon, got a blue moon in your eyes
You woke up this morning
You got a blue moon, got a blue moon in your eyes
I can't help myself

You woke up this morning the world turned upside down
Things ain't been the same since the blues walked into town
But you're one in a million, you've got that shotgun shine
Born under a bad sign with a blue moon in your eyes - yeah

You woke up this morning
You got a blue moon, got a blue moon in your eyes
You woke up this morning
You got a blue moon, got a blue moon in your eyes
I can't help myself

When you woke up this morning everything you had was gone

I can't help myself

You got yourself a gun
You got yourself a gun
You got yourself a gun
You got yourself a gun
You got yourself a gun
You got yourself a gun
You got yourself a gun, yeah

You woke up this morning
You got a blue moon, got a blue moon in your eyes
You woke up this morning
You got a blue moon, got a blue moon in your eyes
I can't help myself

You got yourself a gun
You got yourself a gun
You got yourself a gun
Mama said you'd be the chosen one
