## Broken Back

Chagall hey, Chagall hey  
You were painting it wide showing how to  
Find my way, find a way  
And the colors in it blow up indeed  
Chagall hey, Chagall hey  
You were brightening it up like I was in  
Fayaoué, Fayaoué  
And the colors in it blow up indeed

Bayaney bayaney, Hatillo Puerto Rico  
Get away get away, the time has cut you, that knife  
Levanta levanta, levántate dios mío  
Faraway faraway, you bathed your soul in that night

Lost in my thoughts I recall this golden age  
Full of memories ready to write the new pages  
Ghost in my thoughts like a doll in this golden cage  
In seek of remedies missing this dark holy stage

Que tengas suerte  
Despiértate  
Disfrútala  
Vida hombre

Chagall hey, Chagall hey  
You were painting it wide showing how to  
Find my way, find a way  
And the colors in it blow up indeed  
Chagall hey, Chagall hey  
You were brightening it up like I was in  
Fayaoué, Fayaoué  
And the colors in it blow up indeed

Fighting in life like Chao Pho Phawo  
Roaming the land like Marco Polo  
Painting the town red like Neymar Junior  
Abraza me y nunca me sueltes

Do it like you want it Cariño  
Falling in the night ya bailando  
Coming from the heart exitoso  
But if from the head (un fracaso)

Que tengas suerte  
Despiértate  
Disfrútala  
Vida hombre

Chagall hey, Chagall hey  
You were painting it wide showing how to  
Find my way, find a way  
And the colors in it blow up indeed  
Chagall hey, Chagall hey  
You were brightening it up like I was in  
Fayaoué, Fayaoué  
And the colors in it blow up indeed

Vale vale vale la pena  
Dale dale dale su sabor  
Vale vale vale la vista  
Dale dale dale su color

Chagall hey, Chagall hey  
You were painting it wide showing how to  
Find my way, find a way  
And the colors in it blow up indeed  
Chagall hey, Chagall hey  
You were brightening it up like I was in  
Fayaoué, Fayaoué  
And the colors in it blow up indeed
