

Crash

Broken Back

I don't know how to stretch the time
Feeling like many thoughts collide
See all the faces saying "I oh I"
Then I turn left and everything goes right

Some gonna come to clear your path
While many others will treat you like trash
See all the faces saying "I oh I"
Hoping that all of your plans crash

Mmmmmmm
Hoping that all of your plans crash
Mmmmmmm
Yeah of your plans crash
Mmmmmmm
All of your plans crash
Mmmmmmm

Let It go better choose your fight
Unless you plan to be up all night
See all the faces saying "I oh I"
But nothing's always only black or white

Got to go up if they all go down
Please do go straight if they all go around
See all the faces saying "I oh I"
Hoping your plans smashing on the ground

Mmmmmmm
Hoping that all of your plans crash
Mmmmmmm
Yeah of your plans crash
Mmmmmmm
All of your plans crash
Mmmmmmm
