

Comes the time
I have to choose
Either turn the page or
Just lay down the book

One last rhyme
And we cut the loose
I'll never burn the stage I'm
Still stronger than I look

Imma find a way
Nothing I dread
Never fade away
It's all in my head

Imma find a way
It's all in my prayers
Never fade away
It's all in my head

It's all in my head
It's all in my head

Lonely roads
Dreams ahead
Blurry freaking mode hope
To sparkle one day
But I'm not alone
Friends and fate
Frozen to the bones
It would never be too late

Imma find a way
Nothing I dread
Never fade away
It's all in my head

Imma find a way
It's all in my prayers
Never fade away
It's all in my head

It's all in my head
It's all in my head

It's all in my head
It's all in my head
