

Highs & Lows

Broken Back

I got highs and lows
But better bet on me, shiver
Imma fight and glow, yes
Following down the river
I got highs and lows
But better bet on me, shiver
I see lights and hopes
As I walk walk along that river

Do we know about the future?
No we're not freaking fortune tellers
Do we wanna get it higher?
Yeah, we are freaking story tellers

Whoa...
We're story tellers
Whoa...

I got highs and lows
But better bet on me, shiver
Imma fight and glow, yes
Following down the river
I got highs and lows
But better bet on me, shiver
I see lights and hopes
As I walk walk along that river

As I walk walk along that river

Tell me damn, if it is not now, then
Tell me then, oh, tell me then when?
Tell me now if it is not you
Come on tell me, tell me then who?

Whoa...
We're story tellers
Whoa...

I got highs and lows
But better bet on me, shiver
Imma fight and glow, yes
Following down the river
I got highs and lows
But better bet on me, shiver
I see lights and hopes
As I walk walk along that river

As I walk walk along that river
As I walk walk along that river

I got highs and lows
But Imma fight and glow
I got highs and lows
But I see lights, keep hope
