

# Lost

## Broken Back

Oh when you're lost  
Through fire and frost  
Oh when your hands shake  
Like hope in flying dust  
Oh when you're lost  
Glass half empty thoughts  
Oh when your head breaks  
Like hope as shining rust

Close your eyes  
You're falling around  
Imma dry those tears  
Bend this wounded heart  
Before you crash  
To the ground  
Imma take those fears  
Bend all of your wounds cause  
From dawn to dusk  
I'll be there for you when you're feeling lost  
From now to dust  
I'll be there for you when you're feeling lost

Step one of a new life  
Bet lot of us tried  
But when you face it  
The eyes are still lost in slides  
Don't stop when you tired  
But stop when you're done  
And after you faced it  
You see it may be all gone

Close your eyes  
You're falling around  
Imma dry those tears  
Bend this wounded heart  
Before you crash  
To the ground  
Imma take those fears  
Bend all of your wounds cause  
From dawn to dusk  
I'll be there for you when you're feeling lost  
From now to dust  
I'll be there for you when you're feeling lost

Lost, you won't get lost, you won't get lost, won't get lost, you won't get  
Lost, you won't get lost, you won't get lost, won't get lost, you won't get  
Lost
