

Oh My

Broken Back

Those deep blue eyes
Sitting on this old chair with
Delicate wine
In the darkest times
Smiling in the stairs
She's my everything, fine

Words said before
Plunge done
Moments blessed
And plans are done
Start again
Crazy dreams set
And time's gone

Oh, my, my, dancing in the sun
Oh, my, my, kissing in the rain
Oh, my, my, oh oh oh
Oh, my, my, wind kiss if I run
Oh, my, my, drugs in the pain
Oh, my, my, she's mine, ooh

If time flies
Let me be your pilot
I'm gonna take us for a ride
Tears, words heart can't say
Barefoot on the warm sand
She's shining on my way

Words said before
Plunge done
Moments blessed
And plans are done
Start again
Crazy dreams set
And time's gone

Oh, my, my, dancing in the sun
Oh, my, my, kissing in the rain
Oh, my, my, oh oh oh
Oh, my, my, wind kiss if I run
Oh, my, my, drugs in the pain
Oh, my, my, she's mine, ooh

Oh, my, my, dancing in the sun
Oh, my, my, kissing in the rain
Oh, my, my, oh oh oh
Oh, my, my, wind kiss if I run
Oh, my, my, drugs in the pain
Oh, my, my, she's mine, ooh

She's mine
