

# Smile Again

Broken Back

Walking down the river  
Sailing on the seven seas  
Carrying with her  
A heart into pieces  
Drowning, who believed her  
Falling in the deepest  
Darkness alone  
But brighter days are gone

I wanna hear you smile again  
We won't let you down  
All these years you've been fighting  
Should make you proud  
I wanna hear you smile again  
We won't let you down  
Anytime I'll be here and  
Singing it out loud

And I think to myself  
My God! She's strong!  
Back from hell, came along  
And I think to myself  
She proved them wrong  
Look where she's coming from

Ooh-ooh  
Ooh-ooh (Smile again)  
Ooh-ooh (We won't let you down)  
Ooh-ooh  
Ooh-ooh  
Ooh-ooh (Smile again)  
Ooh-ooh (We won't let you down)  
Ooh-ooh

I wanna hear you smile again  
We won't let you down  
All these years you've been fighting  
Should make you proud  
I wanna hear you smile again  
We won't let you down  
Anytime I'll be here and  
Singing it out loud

And I think to myself  
My God! She's strong!  
Back from hell, came along  
And I think to myself  
She proved them wrong  
Look where she's coming from

Ooh-ooh  
Ooh-ooh (Smile again)  
Ooh-ooh (We won't let you down)  
Ooh-ooh  
Ooh-ooh  
Ooh-ooh (Smile again)  
Ooh-ooh (We won't let you down)
