

## The Chase

## Broken Bells

La-la-la-la-la-la-la  
La-la-la-la-la-la-la  
La-la-la-la-la-la-la  
La-la-la-la-la-la-la

No matter where you go  
No matter who you find  
There's always something wrong  
A million reasons why  
I can't remember a time  
There was a disappointment in your eyes  
Staring down  
Thorn in my side  
But don't I miss the ways

'Til the chase is on  
No place to run  
The chase is on (You're gone, you're gone)  
To reach the dawn (You're gone, you're gone)  
The chase is on

What made the change inside?  
In the battle, it took your pride  
Is it the way you bang your drum?  
Guess the killing was all too fun  
No other way you would go  
But that never stopped you before, right?  
A good life tonight  
And the days of the sun  
Come along with darkness

Still, the chase is on (You're gone, you're gone)  
No place to run (You're gone, you're gone)  
The chase is on (You're gone, you're gone)  
To reach the dawn (You're gone, you're gone)  
The chase is on
