

# Burnin'

Brokencyde

I like to get drunk, I like to get down  
I like the thump up in the club the way she's gettin' down  
I like to get drunk, I like to get down  
I like the thump up in the club the way she's gettin' down

I need a crunk girl, a let's get drunk girl  
A wake up early in the mornin roll a blunt girl  
Don't mean to front girl, I know its been a few  
I know you probably touch yourself during my interviews  
She like my tattoos, she like my crazy du  
She like the way I match my shades with my van shoes  
She like my band too, but she just won't admit it  
She's just so hot the roof is burnin' and I knew she did it

The roof is burnin' burnin' burnin' in here (I like it hot)  
The roof is burnin' burnin' burnin' in here (I like it hot)  
The roof is burnin' burnin' burnin' in here (I like it hot)  
The roof is burnin' on top and we don't need a drop  
No, no

Poppin another fat Jim the phat jay roll up ain't no fun unless we all get s

King side jay with a Brokencyde, baby wanna drink until I'm open wide.  
Burning up, clothes off, chilling room so hot sweat dripping from the ceilin

The roof is burnin' burnin' burnin' in here (I like it hot)
