

Freaxx (Clean)

Brokencyde

I walk into the club looking kind of sexy now.
I see these shorties in the corner, they started making out.
They pull their panties down, they take their pants off.
Then they started getting freaky on the dance floor.
Shake it mommy give it to me like you need some love.
I got some bottles in the caddy that we can open up.
Let's get drunk tonight, baby we don't have to.
And bring your friend along, maybe we can have some fun.

Let's get freaky now, let's get freaky now. [x4]

I got these bitches all tipsy trying to sex me.
I know they want it, alcoholics are some sex freaks.
This ex and chronic got me wanting to get messy.
So let's get messy girls, come on let's go get messy girls.

Come on bitch, you know you want this.
That hardcore will make you feel the toxic.
Versace, Rolex watches.
Bently coups with the 20's droppin.
Convertible top, and the wheels spin.
I can taste that ice when my grill is in.
If you want me baby feel me in.
'cause I don't waste my time with lesbians.

Let's get freaky now, let's get freaky now. [x4]

Liar! [x8]

Oh baby why did you have to lie to me.
I can't play no more games.
These thoughts are slowly controlling me.
You're turning off the flame.
So go baby go baby.
You don't want me.
So go baby go baby.
Come and get me.
So go baby go baby.
You don't want me.
So go baby go!
Come and get me.

Let's get freaky now, let's get freaky now. [x4]
