

Geronimo!

Brokencyde

Lets go girl, lets hit the beach.
Sip some drank, might hit the weed.
Go someplace, might hit the cheeks.
Might leave some sand up in the sheets.
Like damnnnnnnn!! Yeah I'm the man.
Flights on flights don't need to land.
Fly forever, Peter Pan.
If you're trying to get high I might need a hand.

You ain't doing shit so what's good for tonight.
You're sexy and you know it girl you ain't gotta be shy.
Lets go girl the whole world is all a matter of time.
Just step in my jet and lets go for a ride.

Lets go girl.
Yeah let it go.
Lets go girl.
Now drop it low.
Lets go girl.
She hit the flo,
and dropped that thang like Geronimo!!! (2x)

Yeah you the shit.
Pop that thang, girl do the splits.
Pop champagne like you that rich.
Scream fuck them hoes like you that bitch.
Okayyyyyyyyyy!! Uh uh, no way.
Tell the whole world we're on our way.
Fly wherever, no delays.
Drink whatever, don't need no chase.

You ain't doing shit so what's good for tonight.
You're sexy and you know it girl you ain't gotta be shy.
Lets go girl the whole world is all a matter of time.
Just step in my jet and lets go for a ride.

Lets go girl.
Yeah let it go.
Lets go girl.
Now drop it low.
Lets go girl.
She hit the flo,
and dropped that thang like Geronimo!!! (2x)

HATE! KILL! LOVE! PAIN! (2x)
