

T.M.H.T.S. Lesson 1

Brokencyde

Hello boys and girls

This is Teach Me How To Scream, Vol. 1

Today, I'm going to show you the proper techniques to screaming

First, walk up to your microphone

Second, open your mouth

Third, wait for the proper time and let it all out

For example: [screams]

Now that you have a better idea, let's hear your best scream

[pause]

Wow, that was great!

Thanks for listening to Teach Me How To Scream, Vol. 1

Good bye!
