

True Love

Brokencyde

You cheated girl. But I don't care because I cheated too.
Baby you can still be my boo. And we can fuck until the night is through.

Just move them hips. AND SHAKE THAT ASS! (8x)

You feel your body breaking down. I can take it all away.
All I need for you to say. JUST FUCK ME DADDY! (2x)

Baby girl. You know you want me in your fucking world.
We can take this to the parking lot.
In my Mercedes baby we can talk (about sex).

Just move them hips. AND SHAKE THAT ASS! (8x)

You feel your body breaking down. I can take it all away.
All I need for you to say. JUST FUCK ME DADDY! (2x)

You're all I think about. YEAH! You're all I think about.
YEAH! You're all I think about. When I'm masturbating. (2x)

Just move them hips. AND SHAKE THAT ASS! (8x)

You feel your body breaking down. I can take it all away.
All I need for you to say. JUST FUCK ME DADDY! (4x)
