

## All Time

BRONCHO

My eyes alone are enough to stare  
Alright  
All time  
Gonna get you home, home, home, daddy, daddy  
Get you home, home, home, daddy

I'd rather be, I'd rather be alone  
Alright  
All time  
Gonna get you home, home, home, daddy, daddy  
Get you home, home, home, daddy

Is anybody easier  
Is anybody hold it tight  
I'm never gonna see ya  
I'm gonna make it easier  
If anybody peak inside  
I'd never wanna scare off the lonely

I'd rather be, rather than be alone  
Alright  
All time  
Gonna get you home, home, home, daddy, daddy  
Get you home, home, home, daddy

Is anybody easier  
Is anybody hold it tight  
I'm never gonna see ya  
I'm gonna make it easier  
If anybody peak inside  
I think I kinda see ya  
I wouldn't want it easier  
I wouldn't wanna testify  
I'd never scare the skin off the lonely

I'd rather be, I'd rather be alone

Gonna get you home, home, home, daddy, daddy  
Get you home, home, home, daddy

Alright  
All time  
Gonna get you home, home, home, daddy, daddy  
Get you home, home, home, daddy, daddy  
Get you home, home, home, daddy, daddy  
Get you home, home, home, daddy
