

# Friends

BRONCHO

I like my friends because they play games with me  
I like my friends because they are good to see  
I like my friends because they like to play with me  
I like my friends because they are friends with me

I like my friends  
I like my friends  
They are friends with me

Look into my past  
Look what you will see

I like it when they come  
I like the way they think  
I like to give to give, I like to give, I like to give them things  
I like it when their fun  
I like the way they play  
I like the way, I like the way they

My best friends are
