

## It's On

BRONCHO

If you show up in my room with no clothes on, it's on  
If you try to bust me out with your bail bonds on, it's on  
We could go to L.A., we could drink manhattans  
We could go to Chez Jays, we could get old fashion  
It's on

If you try to cuddle up you get kicked out of class  
And if you cuddle again you cut out last  
Larry get a show at a touch and tell  
When he's bringing you down, he'll bring you to hell  
It's on

Larry get a show at a touch and tell

Billy told Mary told Tommy told Sue it's on  
Larry told Barry told me told you it's on  
I can only imagine we'd all be fine  
When you're dressed, when you're dressed to the nines  
It's on

If you try to bail me out, it's on
