Kurt

BRONCHO

Na na, na na, na na
Na na, na na, na na

I'm hurtin'
Pay no attention to the man behind the curtain
He gonna catch, he gonna catch... me!
You only catch me on your big TV
You seem to see me, you see me see you
You see me see me, I wanted to, and I lied
You wanna fill up, all your plans, fill 'em up with my hands

Na na, na na
I wanna put it where Kurt put it
Na na, na na
I wanna put it where Kurt put it

Did you say something? (Did you hear something?)
What? Where are ya? (I didn't say anything)
I didn't say anything... oh!
You gonna catch, you gonna catch... me!
You only catch me on your MTV
You seem to see me, you see me see you
You see me see me, I wanted to, and a lot
Between your eyes, there goes my brain, between the panic of my name

Na na, na na
I wanna put it where Kurt put it
Na na, na na
I wanna put it where Kurt put it

I'm running at it
I'm in your attic
And while you're at it, keep my habit
I'm getting sick, of all your shit
I wanna put it where Kurt put it
Na na, na na, na na
Na na, na na, na na

Na na, na na
I wanna put it where Kurt put it
Na na, na na
I wanna put it where Kurt put it
Na na, na na
I wanna put it where Kurt put it
Na na, na na
I wanna put it where Kurt put it
Na na, na na, na na
Na na, na na, na na
