

Donnie got caught trying to make it in
Heaven knows Oh no, oh
Fuzzy picture, now picture this
I'm so strong, so strong
I don't know

Ain't nobody gonna tell me no
NC-17
I can see it with my eyes closed
NC-17

Static cling, stealin' the screen all day long
Oh no, ohh
You're a tough chick
Makin' the trip on your own
So off, off and on

Tell me yes when you tell me no
NC-17
I can see it with my eyes closed
NC-17

When I'm holding on
I got so many things behind there
Making dreams out of shapes
And I don't care

Ain't nobody gonna tell me no
NC-17
Ohh
NC-17
I keep watching with my eyes closed, and I
Sixteen Seventeen
Ohh
NC-17
Tell me yes when you tell me no
NC-17
I keep watching with my eyes closed and
NC-17
