

Psychiatrist

BRONCHO

"I got a psychiatrist for you!"

You're psychotic
Or anorexic
We'll talk for hours
You're schizophrenic

I got a psychiatrist for you!
I got a psychiatrist for you!

You could just lay there
I wanna know ya
But it might give you some paranoia

I got a psychiatrist for you!
I got a psychiatrist for you!

I got a psychiatrist for you!
I got a psychiatrist for you!

He'll tell your secrets
Don't even panic
Give you a prescription
For being manic

I got a psychiatrist for you!
I got a psychiatrist for you!
I got a psychiatrist...
