

## A Little Further Out

Bronze Radio Return

I may be looking but I'm not looking to settle down  
I wanna go a little further out  
I get afraid of getting stuck in where I stick around  
I wanna go a little further out

I keep looking at the county map  
I'm aware of where I'm at  
And where I am is not so bad  
But lately I've been feeling that  
My lily pads  
Steady when the waters flat  
But out beyond this little pond  
I see the ocean water waving back  
And it's waving at me...  
I wanna go a little further out

So I go  
Way o, way o, way yonder  
I want, I wanna- go a little further out  
In I go  
Way o, way o, way over  
I'm gone, I'm gonna go a little further out

Nothing wrong with a cozy life  
Condo pools, a comfy ride  
TV time on a Friday night  
Saving up for something nice  
But overtime  
I found out I wanna find  
What's beyond this Babylon  
I wanna know what's on the other side  
Find out what it's like  
Find out what it's like  
Find out what it's like

So I go  
Way o, way o, way yonder  
I want, I wanna- go a little further out  
In I go- Way o, way o, way over  
I'm gone, I'm gonna go a little further out

I look around and its all I think about  
I wonder how far can I make it out- get it

I wanna go a little, go a little further out  
I'm going in...
