

Slow Burn

Bronze Radio Return

Ooo no, no, let's slow down the speed
We've got time, time, time
Oh you'll get to where you need to be
In good time, time, time

Oh no, not me, I'm in no hurry
I'm a slow and steady man
So no, no need, for you to worry
We got time, time, time

Ooo-eh, ooo-eh
Turn the heat down and cool it
Ooo-eh, ooo-eh
Turn the heat down and cool it

Ooo-eh if you want to make something to last
It takes time, time, time
Over heat and you'll burn out fast
In no time, time, time

Oh no, not me, I'm in no hurry
I'm a slow and steady ride
Oh don't ya see, it's still so early
We got time, time, time

Ooo-eh, ooo-eh
Turn the heat down and cool it
Ooo-eh, ooo-eh
Turn the heat down and cool it

Slow-lo-lo, slow-lo-lo
Slow-lo-lo-lo-lo-lo burn
Ooo-eh, ooo-eh
Turn the heat down and cool it

I'm not gonna be a flash in the pan
Or a flavor of the week
Not gonna be a one night stand
I wanna be around a long, long time

Ooo-eh, ooo-eh
Turn the heat down and cool it
Ooo-eh, ooo-eh
Turn the heat down and cool it

Slow-lo-lo, slow-lo-lo
Slow-lo-lo-lo-lo-lo burn
Ooo-eh, ooo-eh
Turn the heat down and cool it

Coo-oo-ool it, coo-oo-ool it
