

Tell It To Me

Bronze Radio Return

Lay it on me I'm listening
I got a good ear come give it a bend
I could listen all day to you tell it to me

If I heard it before then let me hear it again
Why you let it out I could take it in
When you got something you can tell it to me

Say what you wanna, I will be listening
Say what you gotta, I will be listening

It's a simple thought but I'll tell you what
Some folks really don't listen much
Only give it one way if you tell it to me

And I've sang a bunch and I've talked enough
So this is my time to listen up
You got something to say well go on tell it to me

Say what you wanna, I will be listening
Say what you gotta, I will be listening

Tell it to me, tell it to me
Tell it to me I want to hear you
Tell it to me, tell it to me
Tell it to me I want to hear you

Tell it to me, anything you wanna
Tell it to me, I want to hear you

Tell me about you, I will be listening
Tell me all, tell me all about you and I will be listening

I will be listening, I will be listening
I will be listening, I will be listening
I will be listening

Tell it to me, tell it to me
Tell it to me, I want to hear you
Tell it to me, tell it to me
Tell it to me, I want to hear you

Tell it to me, anything you wanna
Tell it to me, I want to hear you
Tell it to me, anything you wanna
Tell it to me, I want to hear you
