

## All In Love Is Fair

Brook Benton

All is fair in love  
Love's a crazy game  
Two people vow to stay  
In love as one they say  
But all is changed with time  
The future none can see  
That old road you leave behind  
Ahead lies mystery

But all is fair in love  
I had to go away  
A writer takes his pen  
To write the words again  
That all is fair in love

All of fate's a chance  
It's either good or bad  
I tossed my coin to say  
In love with me you I stay  
But all in war is so cold  
You either win or lose  
When all is put away, away, way-ay-ay-ay  
The losing side I'll play

But all is fair in love  
I should never have left your side  
A writer takes his pen  
To write the words again  
All is fair in love  
And all in love is fair  
All in love is fair  
And all is fair in love

All is fair in love
