

# Hitther And Thither And Yon

Brook Benton

Oh, hitther and thither and yon  
Around the world I've gone  
Searching for true love  
As so many do  
Hitther and thither and yon

From Cairo to far off Calay  
I traveled on and on  
Seeking that someone  
Who's heart wouldn't stray  
Hitther and thither and yon

Alas, I wondered  
Through many a land  
Too blind was I to see  
True love was always close at hand  
As close as you were to me

My journey is over  
It's good to be home  
Your face, I gaze upon  
And darling, I wonder  
Oh, why did I roam  
Hitther and thither and yon

(Hitther and yon)  
Hitther and thither and yon  
(Thither and yon)  
Hitther and thither and yon
