

# I Wish Everyday Could Be Christmas

Brook Benton

Once a year there comes a time when love is in the air  
Everywhere you look, you see a smile  
Friendly faces see that someone really cares  
I wish it could last forever and not just for a while

Fires burning warmer even though snow is on the ground  
Stars are shining brighter in the sky  
That very special day is about to come around  
When God smiles down from Heaven  
And the whole world comes alive

I wish everyday could be like Christmas  
And every night like Christmas Eve  
I wish everyday could be like Christmas  
And I know it could if we would just believe

Children sing and pray while they wait for their surprise  
Their laughter sounds just like a happy song  
If only we could see the world through children's eyes  
Oh, we would have the spirit of Christmas all the whole year lo

I wish everyday could be like Christmas  
And every night like Christmas Eve  
I wish everyday could be like Christmas  
And I know it could if we would just believe

I wish everyday could be like Christmas  
And I know it could if we would just believe
