

It's Just a House Without You

Brook Benton

Cause you see
I'm going home to no one
I'm going home alone

It was fun to be fancy free
But now my loneliness
Shows through, I miss you

What's the good in crying
I'm only wasting tears
What can I say, what can I do
It's just a house without you

We planned a home
High on a hill
Til I had the urge to roam
But now I found
No peace of mind
I can't seem to live alone

I think I'm gonna stop this crying
Yeah, I'm only wasting tears
What can I say, what can I do
It's a house without you
Just a house without you

Now we planned a home
High up on a hill
Til I had the urge to roam
But now I found
No peace of mind
I can't seem to live alone

Lord, I got to stop this crying
Cause I'm only wasting tears
Why should I fret
And go and grab a jet
Cause what am I rushing to

It's just a hole in
The wall without you
It ain't nothing there without you
It's like zero without you
Baby, ain't nothing there without you
